

Putting your business first...

Offering a total range of transport solutions from **Fitted-Price** to **Service Contracts** to the innovative **Science of Compliance** initiative, at Volvo Trucks we add value, help keep you in control of your fleet and reduce your downtime.

1 Service Contracts

Signing up to a Volvo contract, you will be safe in the knowledge that your vehicles will be maintained to their optimum condition providing you with the optimum uptime and best fuel efficiency.

Choose from Volvo Compliance – 12 month O Licence inspection contract, Volvo Blue – preventative maintenance contract, Volvo Silver – driveline component assurance plan, through to Volvo Gold. So whatever your business operation's needs, Volvo have the contract solution to ensure your vehicles are kept in top working condition and on the road earning.

2 The Science of Compliance

The world of operator compliance has never been more in focus with the authorities. Increased legislation means that staying compliant and maintaining your O Licence and OCRS score can be a complex and costly task.

At Volvo Trucks, we understand the pressure your business is under, so by applying a more scientific approach to compliance along with the right mix of cost-effective Volvo products and services we can help you stay compliant; Dynafleet, Service Point Online and Driver CPC Training to name a few.

3 Fitted-Price

All our parts come with a 12-month warranty*. If the part is fitted by a qualified technician, our warranty is doubled to a massive 24 months and we also cover the cost of a call-out and any consequential vehicle damage caused by a Genuine Volvo Part*.

*Terms and Conditions apply and are available upon request from your local Volvo Trucks dealer.

4 The 'Difference'

Genuine Volvo Parts and Genuine Volvo Service. The best way to ensure that your Volvo Truck remains a reliable tool for cost-effective transport operations is to always fit Genuine Volvo Parts. Regular servicing of your vehicle is the most effective way of making sure that it stays in tip top condition, whatever the age. When work is carried out by your local Volvo workshop you can be assured that only Volvo trained technicians using the most up to date tooling work hard to get your trucks back on the road in the best possible time.
