

Auto Electrician - Volvo Trucks - Exeter

Are you a passionate and apprentice-trained commercial Auto Electrician seeking an exciting new opportunity? Interested in advancing your career with a successful family-run Volvo Truck and Bus dealership that values its employees?

Stuarts Truck and Bus is currently seeking a detail-oriented individual to join our Volvo Truck and Bus dealership, covering Devon and Cornwall. You will be responsible for a wide range of tasks for our sales team and commercial workshop.

The Benefits

- Salary between £38,000 and £60,000, depending on experience & overtime
- Overtime paid at time and a half
- Ongoing manufacturer's training courses, both on and off-site
- Quarterly performance-based financial awards
- Negotiable company van, based on performance review after a 6 month period

The Role

- Installing new vehicle extras such as light bars, camera kits, air horns, or any other customer requests
- Assisting the main workshop by providing fault diagnosis to identify necessary repairs, maintaining a clean and tidy workspace, equipment, and tools, and upholding high health and safety standards
- Increasing your earning potential with a brand that prioritizes quality, safety, and the environment

Working Hours

Day shift: 8am - 4:30pm

Plus overtime

About You

To be successful as an Auto Electrician, you'll need:

- Relevant experience in the commercial vehicle industry
- Completed an apprenticeship in the HGV industry or have equivalent HGV qualifications/experience
- At least a City and Guilds and/or NVQ 3 qualification (or equivalent)

The Company

Established in the 1940s, Stuart Partners has evolved from a family-run business to a leading Volvo Truck and Bus dealership, offering premium products. We currently operate three Volvo dealerships located in Exeter, Plymouth, and Cornwall.
