Light Vehicle Technician - Conversion Programme

Stuarts Truck & Bus, Hill Barton Business Park, Sidmouth Road, Exeter, EX5 1DR

Interested in upskilling from a Light Vehicle Technician to Heavy Goods Vehicle Technician?

Are you a passionate mechanic currently working with cars, plant or vans, and looking to increase your earning potential? Stuarts Truck & Bus, in conjunction with Volvo, are offering the unique opportunity to become an HGV Technician working on some of the biggest, most powerful production trucks.

The Benefits

- £32,000 - £35,000 once HGV qualification attained plus overtime (paid at time and a half) (starting salary £25,000 - £30,000 DOE and qualifications)
 - Quarterly performance financial awards
 - Callout cover paid on top of basic salary
 - Free gym membership
 - Ongoing training
 - Career progression

Why Convert?

- Higher earning potential and career progression
- Work with environmental innovations including LNG and full electro mobility, and cutting-edge technologies like automatic lane-keeping and autonomous braking
 - Trucks are easier to work with, more space under the bonnet
- Ongoing continuous development with technical and product training delivered in-house
 - Work alongside a fully trained team of HGV Technicians
 - Shift hours allowing family time

About You

To join our conversion programme, you'll have:

- Level 3 qualification in Light Vehicle Maintenance and Repair Principles (level 2/similar qualifications considered)
