

## HGV Technician - Volvo Trucks - Exeter

Stuarts Truck & Bus, Hill Barton Business Park, Sidmouth Road, Exeter, EX5 1DR

### About Us

Founded in the 1940s, Stuarts has gone from the humble beginnings of transporting cattle in a second-hand Dodge, to a thriving multi-service family business. Today, we have expanded exponentially and boast automotive and vehicular services covering the whole of Devon and Cornwall. We are now looking for an HGV Technician to join our team on a full-time, permanent basis. You will work alternating shifts with early shifts from 07:00 to 15:30, Monday to Friday and late shifts from 15:00 to 23:00, Monday to Friday plus Saturday mornings from 08:30 to 12:30.

### The Benefits

- Salary of £40,000 to £55,000 per annum DOE plus overtime (overtime paid after 40 hours per week)
- Company pension scheme
- £5,000 relocation package
- Full uniform provided
- Free on-site parking
- Loyalty holidays
- Excellent personal development and training opportunities

This is an exciting opportunity for a qualified and skilled HGV Technician to join our well-established and family-run company.

Our £5,000 relocation package offers tailored support to assist your move to the beautiful region of Devon. With its stunning coastlines, vibrant countryside and excellent quality of life, relocating to Exeter provides the perfect blend of professional opportunity and personal enjoyment. Whether you're drawn to the historic charm of the city or the outdoor activities the region is famous for, Devon offers an exceptional place to live and work while you build your career with us.

So, if you want to enhance your technical expertise and knowledge with a leading company, then apply today!

### The Role

As an HGV Technician, you will conduct repair and maintenance work on Volvo Trucks and Buses.

Ensuring all work is completed to a high standard, you will collaborate with your team to provide a variety of services for customers, ranging from diagnostics to contracted maintenance.

Additionally, you will:

- Assist in MOT preparations to ensure vehicles meet safety standards
- Ensure adherence to Volvo standards for vehicle repair and servicing
- Contribute to maintaining a clean and efficient workshop environment
- Support the team in achieving service excellence for all customers

### About You

To be considered as an HGV Technician, you will need:

- A City & Guilds or equivalent qualification to NVQ level 3 in Heavy Vehicle Maintenance

So, if you're seeking your next challenge as an HGV Technician, please contact us.
