

Stuarts Truck and Bus – Volvo

HGV Technician

Victoria Business Park, Roche, St Austell (covering Cornwall and Devon)

Are you an enthusiastic, apprentice trained commercial vehicle mechanic or technician looking for a rewarding career? Could you thrive working with high-quality vehicles from world-renowned manufacturers? Fancy relocating to one of the most beautiful parts of the country? If so, read on.

The Company Founded in the 1940s, Stuart Partners has gone from the humble beginnings of transporting cattle in a second-hand Dodge, to a thriving multi-service family business. Today we have expanded exponentially, working with the premium brand Volvo. Working in a diverse range of sectors, from farming to a truck and bus dealership, we have automotive and vehicular services covering the whole of Devon and Cornwall. We are now looking of an HGV Technician to join one of our brands, Stuarts Truck and Bus, and carry out the maintenance and repair of Volvo vehicles and other makes.

The Benefits

- Salary of £28,000 - £33,000 DOE plus overtime (paid at time and a half)
- Callout cover paid on top of basic salary
- Ongoing manufacturer training courses, both on and off-site

This is a fantastic opportunity to join our industry-leading organisation and experience our strong value and work ethic. You will have the chance to thrive in our progressive, exciting and diverse environment and will enjoy having the latest innovative technology at your fingertips. So, if you want the chance to increase your earning potential and advance your career with our progressive family business, we want to hear from you.

The Role

As an HGV Technician, you will maintain vehicles to MOT standard, ensuring all required repairs are carried out efficiently and on time. Completing work across Devon and Cornwall, you will maintain and repair Volvo vehicles and other makes. You will provide fault diagnosis to identify any repairs needed, ensuring your workspace, equipment and tools are kept clean, tidy and to health and safety standards.

About You

To join us as an HGV Technician, you will need:

- Relevant experience in the commercial vehicle industry
- To have completed an apprenticeship in the HGV industry or have equivalent experience
- At a minimum, a City and Guilds and/or NVQ 3 qualification (or equivalent)

The working hours for this role follow an alternating shift pattern:

Early shifts:

7am - 3:30pm

Late shifts: 11:30pm – 8pm

Alternating Saturday mornings: 8am - 12pm

This also involves taking part in Volvo Action Service callout cover on a rota basis.
